

FMCA's INTERNATIONAL AREA aka
The INTERNATIONAL AREA ORGANIZATION (INTO)...
and you.
By: Dave Barr Sr

INTO exists to serve the 90 or so Chapters placed in the International Area by nature of their non-geographic and/or interest specific based membership. We are the largest of the 10 Areas in FMCA not only in terms of geography but in terms of number of Chapters. As such the INTO Board is larger than other Area Boards, having 4 Vice Presidents in addition to a Senior Vice President.

The FMCA Areas exist to serve as a liaison between the umbrella organization (FMCA) and its individual Chapters and their individual members. With a primary goal of enhancing membership in FMCA and its stated goals of promoting safety, fellowship and fun in the motorhome life style, the Areas are an integral part of FMCA.

INTO leadership changed at Indianapolis in August of 2012 and while Sonny Gillespie and his "True Stories" will be missed, Alfred Vormittag promises to bring a renewed direction, energy and spirit to INTO. Having served two years under the previous leadership and now under our new leadership I am looking to a future filled with enthusiasm and excitement.

If you're not already, I encourage you to get involved with FMCA, attend our annual "Family Reunions" and your Area's Rallies. Invite others to do likewise. Like anything else... what you glean from your membership in FMCA is indicative of what you put into it. So join us, get involved and PARTICIPATE!!!
