INTERNATIONAL AREA

Welcome To FMCA and the International Area

Dear New FMCA Member:

We wish to welcome you to the Family Motor Coach Association (FMCA).

The International Area of FMCA has no geographical boundaries and covers the United States and Canada. The chapters in this Area cover a wide array of interests. They include: Amateur Radio, 4 Wheelers, American Coach, Entegra Coach Owners, Diesel RV Club, FMCA Chapter: Habitat For Humanity®, Elk International, Newmar, Workhorse and Spartan Chassis, just to name a few. Enclosed you will find a list of all the International Area Chapters and their scope. I am sure you will find several of interest to contact.

FMCA membership does not require you to join a chapter. However, chapter membership and participation provides opportunities that you won't want to miss. The members who join these chapters have rallies and gatherings to discuss or compare their common interest, as well as other topics. They also distribute newsletters that provide insight into the activities of that chapter. If you have any questions, please do not hesitate to call me at 972-890-4334, or send me an e-mail (dkessler@fmca.com).

FMCA's Association Calendar, published in each issue of *Family Motor Coaching* magazine and online at FMCA.com, lists rallies that are open to all motorhome owners. You are welcome to attend these rallies, and there is no obligation to join the sponsoring chapter. Always contact the rally host to ensure that there is space available.

Patsy and I would love to meet and talk with you at a rally in the near future. Safe travels.

Sincerely,

A handwritten signature in cursive script that reads "DKessler".
